This was a difficult year for the organisers...the weather was challenging and we had a record entry! And a few technical gremlins added to the difficulties meaning we had no results on the day. Another administrative hiccup means we don't currently have access to information on age class or club for the results. Our apologies for these problems. Our main concern was to know that you got back safely. Well done to you all for taking part and staying safe. An excellent winning time of 41 minutes by Chris Burns and an equally impressive time of 50:46 by first woman Lizzie Wraith. We are very grateful to the cafe for allowing us to use their facilities. We hope you enjoyed the shelter that was available before and after the race.
